Letter of Appreciation

Dear Northsea team,

I am writing to compliment the outstanding helideck and services provided by your company, which we received on June and November this year for our CJ46 projects in SWS shipyard.

Northsea Offshore maintained excellent communication and assistance during the entire Engineering Procurement and Construction (EPC) process which ensured a smooth, hassle free, and timely transaction.

Northsea Offshore exceeded our expectations with both your product and service. We value your relationship with us and we highly recommend you as a leading helideck provider for any application in the offshore business.

Yours Sincerely

William Zhu
