Letter of Appreciation

Dear North Sea Offshore Staff,

I am writing to express our sincere appreciation to NorthSea for your top quality service and superior accommodation outfitting abilities. NorthSea is a solutions focused supplier and has provided TY Marine with exceptional turn-key solutions.

Your efficient engineering, procurement, construction, and installation services that you have provided for the Turnkey Accommodation project, 150 POB NG2500X Self-Propelled Jack-Up has ensured a smooth and timely project execution since contract commencement in 2015. NorthSea has truly demonstrated itself as a valuable offshore accommodation solutions provider.

Quality in product, service, and efficiency are three factors that we at TY Marine feel best describe NorthSea. We have no doubt that TY marine and NorthSea will remain cooperative partners for many years to come.

TY Marine proudly recognizes NorthSea for their valued partnership, professional business relationship, and superior accommodation solutions. We look forward to working together with NorthSea and without hesitation endorse NorthSea as a leading and highly recommended accommodation solutions provider.

Sincerely,

Captain Geow TC

Operations Director
